ABOUT ME

Hi, I'm Neeraj, a dedicated backend developer with a strong foundation in SQL, Python, cloud computing, and JavaScript, with a touch of CSS expertise. My passion lies in creating efficient and scalable backend systems that power seamless user experiences. With a keen eye for detail and a drive for continuous learning, I strive to stay updated with the latest technologies and best practices in the industry. Explore my portfolio to see the projects I've worked on and how I can help bring your ideas to life.
