## ABOUT ME

Hi, I'm Neeraj, a passionate Data Analyst & Data Entry Enthusiast with a Diploma in Computer Science and hands-on experience in SQL, Python, and Excel. I enjoy transforming raw data into meaningful insights that drive smart decisions. With an internship in Python and a strong foundation in data management, I specialize in analyzing datasets, cleaning information, and presenting results in a clear and actionable way. My expertise includes working with Excel functions, SQL queries, and Python for data analytics, making me capable of handling both structured and data efficiently.

## EDUCATION
